General information about our purchase:

Only undamaged/functioning modules are purchased. Damage to the modules often occurs during transport. Please pack all modules safely and carefully. Models marked "Fragile" are best shipped in their original packaging.

If not stated otherwise, the stated remunerations always apply to original modules. Modules not listed are generally not purchased. Unless otherwise stated, XS, Introductory, Setup, Initial, Instant Ink or Starter cartridges as well as replicas or conversions will not be purchased. Our purchase conditions apply.

If you are entitled to deduct input tax and prove this by submitting your German VAT ID number, the applicable German VAT will be reimbursed in addition to the remuneration stated in the purchase price list.

Our terms and conditions of purchase apply, which can be viewed at www.geldfuermuell.de/agb

Notes on the purchase of empty ink cartridges:

Refilled empties means that the cartridge has been refilled one or more times. It does not matter whether you have refilled the cartridge yourself or whether the cartridge was refilled by a third-party supplier, such as Pelikan, Rotring, GeHa, KMP, PrintStar, Highlife, etc. We do not buy modified refill cartridges (different lid, etc.).

*** For some ink cartridges, so-called XS, Introductory, Setup or Small cartridges are also available. These cartridge types often cannot be refilled with a larger filling quantity. Therefore, these ink cartridges have no or a much lower compensation value than the larger cartridges. Read more at www.geldfuermuell.de/en-UK/hintergrundinfo/xs-tinte.php

Notes on the purchase of empty & full toner cartridges:

Some toner cartridges come in so-called Starter, Introductory or Initial versions. These are usually the toner cartridges that were delivered with the machine. These cartridges can only be filled with a smaller capacity and are therefore not purchased or are purchased at a lower price. You can find more information about this at www.geldfuermuell.de/en-UK/hintergrundinfo/unterscheidung.php

We buy unused, full toner cartridges. The prices quoted for "Original surplus" are for A-grade, which means that the toner cartridges are in their original packaging and the outer carton is unopened, undamaged, unlabelled and unglued. We do not purchase full Starter, Setup, Initial or Introductory toner cartridges. The reimbursement for originally packed contract cartridges is the list price minus 25%. Prices for unused toner cartridges that we have not listed or where the packaging is damaged (B-grade) or missing (C-grade) are available on request. Full B- or C-grade surplus toner sent in without being asked or without our offer will be reimbursed at the value of the empties. Read more at www.geldfuermuell.de/en-UK/volle-toner-ankauf.php
